**Re: Al Ummah Community Center v. Township of Teaneck, et al.  
Civil Action No. 2:20-cv-14181-CCC-SDA**

Dear Magistrate Judge Adams:

This firm represents Defendant, the Teaneck Zoning Board of Adjustment (the "Board"), in the above-captioned matter. We are pleased to report that the settlement agreement in this matter is now fully executed and the parties are proceeding in accordance with its terms. As such, all parties respectfully request that tomorrow's settlement conference be cancelled, as there is no longer any need for the same.

Additionally, the settlement agreement outlines a Whispering Woods process which may take 2-3 months to complete, depending upon when revised plans are submitted to the Board for consideration. This process will undoubtedly exceed the 60 days outlined in the Court's prior order for automatic termination of this matter. As such, with Plaintiff's consent, we request that the 60-day time period be extended for an additional 90 days.

We thank the Court for considering this submission.

Respectfully submitted,

/s/ Denis F. Driscoll
